OWNERS OCCUPANTS ACKNOWLEDGEMENT

Homeowner(s) (name) _____ is in agreement that only the occupant(s) listed in the application will be residing in the unit. In the event that any additional occupant(s) not listed in the original application wishes to occupy or reside in the unit he/she must apply to Unite Property Manager and go through the screening process. Only when the occupant(s) receives approval from the Board of Directors is the occupant(s) cleared to move into the property.

If the property will be rented at any given time to occupants not listed in the application they too need to apply.

Failure to do so will cause your account to be fined for having unapproved occupants in your unit and there is also a possibility that your account may be sent to the Associations Attorneys at the property owners' expense.

All parties involved are in agreement that every occupant residing in the property must be screened by Association and obtain approval prior to moving in. We have also been explained the consequences if such rules are broken.
